ACADEMIC INTEGRITY

The editorial board of the journal conducts an internal anonymous review of all articles* and plagiarism testing.

The articles are checked for plagiarism using the software [StrikePlagiarism.com](https://www.strikeplagiarism.com) developed by the Polish company [Plagiat.pl](https://www.plagiat.pl).

The review process can take up to 4 days.

** The editorial staff reserves the right to reject articles of authors, who do not comply with the provided requirements. The authors are responsible for the accuracy of quotations, surnames, references and facts, contained in the text of the provided articles.*

After a successful review, the author will receive payment details by e-mail to pay for the publication fee. The amount of funds for covering publication charges is **1300 UAH** for one article in volume up to 12 pages, in case of exceeding the volume of 12 pages, you will have an additional payment amounting 40 UAH for each additional article page.

The editorial board accepts for free publication individual articles by postgraduate students enrolled in state-funded programs, provided that they comply with the established requirements and principles of academic integrity.

Along with the article, postgraduate students enrolled in state-funded programs must submit a certificate from the postgraduate department confirming their enrollment. The certificate must bear the signature of the head of the postgraduate department and the official seal.

The publication fee covers the costs associated with review, proofreading and editing of articles, layout of the collection and placement of its electronic version.

The electronic version of the journal is timely placed in public access on the publication's website.

If desired, the author of the article can order a **printed copy** of the magazine. The cost of a printed copy is **UAH 800**, which must be paid in addition to the publication fee.

The Editorial staff awards every published paper with **DOI** (*digital object identifier*).
